

# Rotary Awards Holmes - 2008

Each Year Holmes Junior High School selects two students to be recipients of the Rotary Club Award. This award is a prestigious award given by the Holmes Faculty. The award includes recognition at the 9<sup>th</sup> Grade Awards ceremony, engraved plaques for the winners, and also a \$500 gift to the school. The two winners are given the responsibility of deciding how the money will be spent to benefit the school.

The Rotary award is given to students on the basis of excellence in leadership, scholarship and citizenship. The winning students will have likely demonstrated these qualities throughout their three years at Holmes, but certainly should have shown themselves as outstanding students during their 9<sup>th</sup> grade year in particular.

Please take the time to make one or more nominations. You will make your nominations by completing the form below for each student you would like to have considered. The activities you list may have been demonstrated in class, around campus, in extra curricular activities or in other ways.

**Please return the completed form to Ashley Nelson's mailbox by Wednesday, May 21st.**
