

Parent Career Questionnaire

We would like to involve our parents more in career exploration with our students. This questionnaire is voluntary, but if you are willing to speak with students about your career or have them “shadow” you at your work, we would appreciate your responses to the following questions. We are interested in learning about all kinds of careers options.

1. What is your occupation?

2. What is the future outlook for job opportunities in your field?

3. Are you willing to come to DSIS to speak to students regarding your career/occupation? yes no
If yes, can you make arrangements to come during the school day?
yes no

If no, when are you available to come?

4. Would it be possible for a student to visit your workplace or to shadow you on your job? yes no

5. Are there intern opportunities for students in your field? yes no
