

IT'S BACK TO SCHOOL WITH BOX TOPS!

Welcome to the 2008-09 school year and the MME fall Box Tops drive! There are going to be tons of exciting student incentives and prizes all year long for turning in Box Tops. To get us off to a good start, **Nugget Market** is sponsoring a fabulous back-to-school promotion. Here are the details:

YOU TURN IN:

ONE sheet of 10 box tops..... **A super shiny brand-new yellow no. 2 pencil**
TWO sheets **An awesome fruit-scented pencil-top eraser (AND the pencil!)**
THREE sheets..... **A red correction ballpoint pen (AND the pencil/eraser!)**
FOUR sheets..... **A 70-page spiral bound notebook (AND the pencil/eraser/pen!)**
FIVE sheets **A fresh box of 24 Crayola crayons (AND the pencil/eraser/pen/notebook!)**
TEN sheets or more **A special mystery prize to be revealed soon (AND all the stuff above!)**

YOU GET:

It's as simple as that. In order to qualify for prizes, **entry forms must be turned in no later than Friday, October 24.** You can use the back of this sheet, download and print your own from www.djUSD.k12.ca.us/montgomery, or pick up as many as you need in the school office. Please note that **each entry must contain \$1.00 worth of Box Tops** (any combination of 10¢, 30¢ and 50¢ coupons will do), and must have the student information section filled in completely!

WHAT IF I'VE ALREADY TURNED IN BOX TOPS USING LAST YEAR'S FORM?

No problem! Any previous entry form design is valid for this campaign. And all entry forms received since school started will count toward your totals.

SOUNDS GREAT, BUT WILL THERE BE ANOTHER BIG DRAWING THIS SPRING?

Yes! Details about our winter and spring incentives will be revealed soon, and tons of fabulous prizes await. But the one thing you must know is that **every Box Tops entry form turned in during this school year will be included in the winter AND spring drawings!**

WOULDN'T IT BE BETTER TO SAVE MY BOX TOPS UNTIL THE END OF THE YEAR?

NO! (Was that clear enough?) Here's the deal: Montgomery can only redeem

Box Tops twice a year — once in early fall, and once again in late winter. **It's critical you turn in your Box Tops now!** Remember, all entries received this fall will count towards any and all promotions we do for the rest of the school year. You have nothing to lose by turning them in by the 10/24 deadline, and our school has everything to gain. If you hang on to them, MME will have to wait many months before being able to use the proceeds from your efforts.

SPEAKING OF PROCEEDS, WHAT'S THE BOX TOP MONEY USED FOR ANYWAY?

Glad you asked! All money earned by the Box Tops program goes into the PTA general fund where it, in turn, is used to pay for the many enrichment materials and programs that make our school such a fun place to be. Things like playground equipment, classroom supplies, music instruction and our computer lab are all funded by the PTA. So when you work for the Box Tops program, the Box Tops program works for you, too!

OUR FAMILY DOESN'T USE MANY BOX TOPS PRODUCTS. WHAT CAN I DO?

Not to worry! You'd be amazed at how many you can collect if you ask for help. Many of your neighbors, friends and relatives — even your parents' co-workers — would be really happy to contribute to the Box Tops cause. In fact, it's a good idea to enlist the aid of

others even if your family uses lots of Box Tops products. The more you collect, the better your chances of winning a prize this year. To make asking easier, be sure to use one of the Friend & Neighbor Invites attached to this flyer.

HOW CAN I FIND OUT WHAT GROCERY ITEMS HAVE A BOX TOP ON THEM?

Good news. There's an updated list attached to this flyer as well. And be on the lookout for dozens of participating products that currently feature not one but TWO bonus Box Tops on them!

WHERE DO I TURN IN MY ENTRY FORMS?

Easy peasy. There's a big box right in the school office lobby. You may deposit entries there any time. Be sure to pick up an extra entry form while you're there!

WHEN WILL I GET MY PRIZES?

The Nugget rewards above will be delivered to classrooms in early November.

CAN TEACHERS WIN?

Absolutely YES! Teachers (and staff!) who submit their own entries are eligible to win prizes both now and in the spring.
