## WELCOME TO THE 2010–2011 SCHOOL YEAR!

We are excited to enter into our 51st year of offering high quality, continuing education to adults throughout Davis Joint Unified School District and Yolo County. Despite budget reductions, Davis Adult School offers a rich selection of classes. Your participation and support of our program is the reason we exist.

Our community education program offers a wide array of classes. A few of our new classes include English Pronunciation, Painting with Acrylics, Knitting for Everyone, How to Use Your Digital Camera, and Google Docs.

At Davis Adult School, no one is too old to earn a high school diploma. Simply call our office for a counseling appointment and begin to realize your dream.

We continue to offer Citizenship and English as a Second Language (ESL) classes at all levels. Because we have fewer classes this year, it is important for students to enroll early and attend classes regularly.

Parent Education opportunities abound when parents enroll in one of the many sessions offered by Davis Parent Nursery School. Additionally, during winter quarter we will offer Loving Solutions, a class that supports parents with strong willed or at-risk children under the age of 13.

We continue to offer classes for Adults with Disabilities. During winter quarter we will offer our popular nutrition/cooking class.

Older Adults can write their memoirs in our ongoing class located at the Davis Senior Citizens' Center. Students should enroll early as this class fills up quickly.

This fall many students took advantage of being able to register online. However, we continue to welcome walk-in registrations and checks sent by mail.

Please note that there are changes in our brochure including our refund policy and the age for senior discounts. Please look through the brochure or go online to [www.djUSD.k12.ca.us/adultschool](http://www.djUSD.k12.ca.us/adultschool) for class descriptions, costs and locations.

We look forward to greeting our longstanding customers and seeing many new faces over the coming weeks. Please join us in the excitement and benefit of lifelong learning!

Best regards,

*Laurel Clumpner, Principal*

**Admission Requirements:** Persons 18 years of age or older may enroll in adult education classes. If parents are enrolled and attending a fee-based class, high school age students may enroll in the same fee class for personal growth. Concurrent students who need credit for high school graduation must schedule an appointment with their school counselor and the adult education principal.

**First Class:** Students who mail registration forms will be contacted only if the course has filled or has been cancelled. Please attend the first class unless you have been contacted by Davis Adult School staff.

dents registered prior to the first class. If a class is cancelled, students who have enrolled will be notified either prior to or at the time of the first class and tuition payments will be refunded in full.

**Refund Policy:** A 50% refund will be made if requested within two business days of the first class, regardless of when the registration took place. The refund policy applies even if you registered in the fall for a class offered in the spring. We cannot make exceptions to the 50% charge because of the cost of processing refunds. If you paid by check, please be prepared to provide evidence that your check has cleared. Please choose your classes carefully.
