

## DJUSD Bond Project at Your Neighborhood School

Dear Neighbor,

Beginning in late February or early March of 2020, you will notice increased facility improvement activity at your neighborhood school, Birch Lane Elementary (BLE). The campus will see some general maintenance renovations of specific classrooms. As part of this construction, a temporary building will be brought to campus and located at the southeast corner of the school site to house any classes that will be temporarily displaced during improvements. Please note there will be a few bike racks moved to accommodate the new building, but we expect bike routes and general foot traffic will not be affected.

In addition, design planning is now under way for a new Birch Lane multipurpose room (MPR) which is tentatively scheduled to be completed by Spring 2022. Find out more about the details, timeline and opportunities for feedback as well as view frequently asked questions on the Davis Joint Unified School District website at [www.djUSD.net/bond](http://www.djUSD.net/bond). Here, you can also view the Bond calendar and sign up for the monthly DJUSD Bond e-newsletter, *Building Our Future*.

### Public Meetings Invitation

Please join the DJUSD Bond Team on Wednesday, January 8 for two meeting opportunities to learn more about the MPR project and to share any input or thoughts you may have about this Birch Lane Bond Program project. If you are unable to make these meetings, questions or concerns about DJUSD Bond Program projects may be directed to our Team at [facilityplanning@djUSD.net](mailto:facilityplanning@djUSD.net).

### DETAILS FOR MEETINGS
