

DJUSD Bond Project at Your Neighborhood School

Dear Neighbor,

With the launch of the “Kindergarten Readiness Act” in 2010 and the implementation of Assembly Bill 130 in 2021, enrollment has increased and the expansion of Transitional Kindergarten and proposed addition of Extended-Day Kindergarten will require the addition of 18 age-appropriate classrooms in DJUSD.

On May 6, 2023, the DJUSD Board of Education approved the reprioritization of Bond Projects throughout the District. Funding from the Measure M Bond Program has been allocated to the ECE Initiative mobilizing formal design work for the construction of additional Transitional Kindergarten/ Kindergarten classrooms.

Public Meeting Invitation

Design planning is now underway for additional ECE requisite facilities at Montgomery Elementary School. Please join us for another opportunity to learn more about the construction of these new buildings and to share any input or thoughts you may have about this project.
