

**Memorandum of Understanding (MOU) between the
Davis Joint Unified School District (DJUSD) and the
Davis Teachers Association (DTA)**

1. PURPOSE

A comprehensive professional development training for all certificated staff can provide the structure and coherence needed to improve student outcomes in behavior and academics. In order to promote professional learning amongst the District's certificated staff, the Davis Teachers Association and the District agree to offer two (2) optional professional development days for all certificated staff members for the 2023-2024 school year.

2. DESCRIPTION

2.1 The District will contract out to the CAST professional group to provide instruction in Universal Design for Learning (UDL) during optional professional development days August 16 and 17, 2023, and facilitate application and implementation of UDL throughout the 2023-2024 school year.

2.2 CAST trainers will support site leaders to continue the professional development work and implementation begun during the August 16 and 17, 2023 training on Universal Design for Learning (UDL) during district and MTSS staff meeting time.

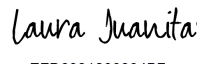

3. COMPENSATION

These days would occur August 16 and 17, 2023 and will be paid at their daily rate. Payments are to be made within sixty (60) days.

4. DURATION

The MOU will sunset June 30, 2024.
