

Health Benefits Committee
Nov. 8, 2023

Public Comment

1 formal comment, opened to additional discussion of having CalPERS invited to a meeting to answer questions.

Laura talked about outcomes for today and the future.

Strategy discussion for education of members and retirees

Discussion of what the committee outcome will be in January- does the committee want to advocate for one choice or educate members and let them decide?

One member says the committee should take a stance with a recommendation. One says stay neutral and educate members to decide.

Geographic meetings so staff at sites will be encouraged to stay when it comes to outreach.

Discussion of options for outreach (road show, zoom, etc.).

Retirees don't agree with changing plans but not all retirees take the district benefits in retirement.
